IMPORTANT SAFETY RECALL

Goodyear Recall Campaign

275/70R22.5 G159

NHTSA Recall No. 22T009

Dear Class A Motorhome Owner and/or G159 Customer:

This notice is provided to you in accordance with the National Traffic and Motor Vehicle Safety Act. The Goodyear Tire & Rubber Company (“Goodyear”) has determined that **275/70R22.5 G159** tires manufactured between 1996 and 2003 (“**Subject Tires**”) installed on recreational vehicles may present an unreasonable safety risk due to tread separations and similar catastrophic failures resulting from conditions present in RV use, which may include overloading and/or insufficient tire inflation pressure that could affect vehicle control. A loss of vehicle control increases the risk of a crash. As a result, Goodyear has decided to conduct a recall campaign to replace free of charge the subject tires and to proactively promote participation in this campaign among owners of recreational vehicles.

How to Obtain a Replacement Tire for Your Recreational Vehicle

If you have one of the Subject Tires on a recreational vehicle, you should contact the nearest authorized Goodyear Commercial Tire and Service Network location or authorized Goodyear commercial truck tire dealer and arrange for a free replacement with a Goodyear 275/70R22.5 G670 tire.

Goodyear also will cover the cost of dismounting and disposing of the Subject Tire and mounting and balancing the new G670 tire. Tire replacement will take approximately one hour. To underscore the importance of maintaining proper load and inflation pressure, Goodyear will provide you with a \$60 voucher that can be used to cover the cost of having your recreational vehicle professionally weighed.

To be eligible for this replacement, you must return your Subject Tires to an authorized dealer. To find the nearest retailer, go to goodyearrvtires.com or goodyeartrucktires.com and enter your location information in the Find A Dealer area or call 1-866-353-3847.

How to Exchange a Tire Not Fitted to a Recreational Vehicle

If you own a Subject Tire that is not fitted on a recreational vehicle, Goodyear will offer you \$500 in exchange for the tire. Please contact Goodyear Consumer Relations at 1-800-592-3267 to make arrangements for this exchange.
